

HYLA's 2022–2023 Leadership Academy

The HYLA Leadership Academy is the premier leadership academy for young lawyers. The mission of HYLA's 2022–2023 Leadership Academy (the "Academy") is to prepare young attorneys for leadership roles in HYLA and other organizations through a service-oriented leadership training program.

During the tenure of the Academy, members will have the chance to practice and develop their leadership skills while networking with peers and community leaders. Programming will focus on preparing Academy members for leadership both outside and within the legal community. In addition, the Academy programming will also focus on network building, professional development, and mental health for leaders and young lawyers.

Applicants are selected based on several criteria including (1) leadership skills, abilities, and potential; (2) achievements and accomplishments; and (3) community and bar involvement. Each person invited to become a member of the Academy will be required to pay an entry fee of \$250, which will cover the cost of the luncheons and various other programs.

2L and 3L law school applicants are encouraged to apply. One law student will be selected from each Houston law school.

Applications will open on September 28th and will close at 5PM on October 21st.
